

FBN Valve Fixtures & Specialty Tool Kits

Parts and service support for all leading OEM fillers and cappers

Better Bottling
THE FBN WAY

FBN's Valve Fixtures & Specialty Tool Kits make it easy to maintain your filler valves. We've designed efficient and ergonomic systems to help improve the assembly and disassembly of filler parts.

- Substantially reduces rebuild labor meaning less downtime.
- Torque wrench promotes consistency from valve to valve.
- Consistent torque settings on all parts
- Custom machined fixtures fit in any vise and won't damage valves.
- Substantially reduces rebuild time
- All components are manufactured in the US, including the Kennedy toolbox.
