

ADJUSTABLE MANIFOLD

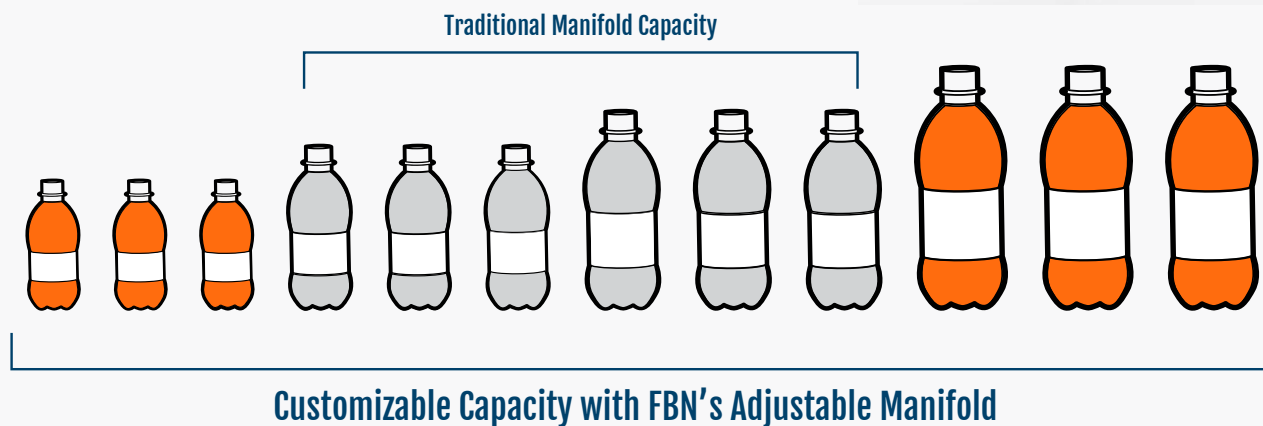

Better Bottling
THE FBN WAY

Make Your Machine More Versatile. Transform Your Filler!

FBN Innovation Adds Instant Capacity

- With a flip of a switch or a touch of a button, the adjustable manifold allows you to run a larger range of package sizes.
- Gives you the capacity to serve customers with different needs without adding costly changeover parts.
- Increases efficiency and optimizes filling.
- Reduce overflow rates by precisely controlling the number of active filling heads.
- Recipe-driven, pneumatically actuated.

For more information on the FBN Adjustable Manifold, contact our Sales Department at 269.217.5099.

But Wait—There's More to Love About FBN!
