

BOWL VALVE

Better Bottling
THE FBN WAY

Bowl Filler Valve

316SSL Stainless Steel Design

- 100% Machined Bar Stock
- Custom Designs to fit any package and flow rate requirements

Superior Spring Design

- High strength/low fatigue spring is custom engineered for maximum life cycles and durability

4th Generation Internal Sealing System

- Precisely manufactured from superior materials to withstand leaking at high pressure

Flow-to-Vent Ratio

- Accurately calculated to maximize flow while minimizing bottle distortion

Self Sealing Tip Design

- Eliminate O-ring Liability While Providing superior sealing and product loss

But Wait—There's More to Love About FBN!
